Overheard At The Dock

Ahoy Mates! Aye Skipper, where ya been? Just a coming from the monthly dock captain's meeting.

Aye, what's new? Something most of us TN boaters don't know. So? So this feller from TWRA was there and we talked about "no wake" zones. He told

us that "TN law stated" an additional 100 foot zone prior to the federal 300 foot "No Wake Buoy". Therefore, TN law is 400 feet before and after the buoy and of course either side. Aye,

now you're steamboating Skipper. See you around the

bend.
