George Maresca

Ahoy All,

September turned out to be a beautiful month and October is looking to be the same.

There are some unofficial raft-offs as long as the weather is warm. Keep your eyes and ears open for emails were a spur of the moment event. It will always be in Powerline Cove on a Saturday at 1:00. If you are on the water at that time, cruise by the cove and see if anyone is there. Don't forget your radios!

Still looking for someone to step up as second officer starting in January. Expect a call from the executive committee asking for your help.

At this month's general meeting we will start taking reservations for the TCC Christmas Party slated for December 13. Start thinking about who you want at your table and get those reservations in.

See you at the October meeting!

George
