## Commander's Corner

### SEPTEMBER COMMANDER'S REPORT

Wow, I am just returning from New England cruise and the weather is cool for this time of the year and without sun! Well at least we aren't dodging thunderstorms and rain which seemed to be the norm in mid-August. Schools are back in session and visits from our grandchildren will be on hold for a while. Plans for the upcoming Christmas party are being finalized. As we have shared previously the TCC will be subsidizing a significant amount of the overall cost as we begin to reduce our assets as a non-profit organization.

Looking forward to seeing everyone next week as many are returning from their summer vacations away from the Village. Was reviewing the fall foliage weather changes hoping to get a Color Cruise in before everyone starts to winterize their vessels.

Hope to see you on the water! Remember, safe boating with careful awareness at all times as this is one of the leading causes of boating injuries!
